

Farm Animal Medicine Best Practice Meeting

Do all medicines work on your farm?

Are you delivering your medicines correctly?

Join us at the Kilmington Cricket Pavillion on 6th March 12-2pm

£30.00 – Lunch will be provided

We are hosting a practical meeting to highlight and discuss the

Importance of correct handling, storage & administration of farm animal medicines and vaccines

to help comply with farm assurance recommendations and improve farm efficiency when treating or preventing disease

R.S.V.P as places are limited

Please ring Summerleaze Vets on 01297 304007 to book
