You are warmly invited to a virtual meeting hosted by Summerleaze Farm Vets & MSD on the topic of Cryptosporidium in calves.

Over the winter this disease seems to have reared its head more than ever and there are a number of challenges it brings. This meeting hopes to get to grips with Crypto, how it works and how we can fight it.

We hope this will be a discussion based meeting, so please do bring your questions - as well as the opportunity to ask questions along the way, there will be time for a Q&A at the end!

Agenda:

Welcome (5 mins)

Brief scour overview – costs, impacts, causes (5 mins)

Crypto - Life cycle, sources of infection and impact of disease – (20 mins)

Crypto - Prevention and treatment – (15 mins)

A brief word on Rotavec – (5 mins)

Q&A (10 mins)

When: Thursday 4th March - 1.30pm to 2.30pm sharp

Cost: FREE to members of the youngstock group, £15 per attendee if not a member of the youngstock group.

Meeting number (access code): 131 580 6999

Meeting password: CePBXJJ9R76

[Join](#)

We look forward to seeing you at the meeting - please do RSVP to this email so that we have an idea of numbers!

Directors: Jenny Clayton BVetMED, MRCVS, Stuart Altoft BVetMed, CertAVP(ED) GPCert(EP) BAEDT MRCVS
