Summerleaze Vets Flock Health Club

Summerleaze Vets Flock Health Club was launched last year. We have been working closely with many of our members, and we are keen to get more sheep farmers involved.

The club is targeted towards commercial flocks of varying sizes, with the aim of assessing and improving flock performance and productivity.

It's £15 per month (ex. VAT) to join which includes:

- 1 visit to produce a Flock Health Plan plus 1 other visit (total time for visits 60 minutes)
- 3 client meetings
- 5 faecal egg counts
- 1 post mortem (or 2 small lambs), excluding lab fees and disposal
- 10% off ram fertility testing
- 1 place on our Lambing Workshop

If you are a member make sure you use all the benefits included to ensure you are getting the most for your money!

If you have any questions or would like to join, please get in touch at the practice.
