

Summerleaze Vets

Christmas & New Year Opening Hours

PLEASE rest assure that we have dedicated Farm and Equine vets on call for emergencies throughout the festive season.

People often say "I wasn't sure if it was an emergency or not" - the easy answer is, if you are worried enough to think "I might need the vet" then call - we would rather speak to you or see your animal if you are concerned, than not see it!

Wishing all our client's, a very Happy Christmas and a healthy New Year

Christmas Eve
